Recap of homophones & plural spellings
Synonyms (same) & Antonyms (opposite)

This Week in Functional Maths

Functional maths next week will be a continuation of measures which will include perimeter and area .

Attached are 2 question sheets with solutions & useful notes for delivering which can be used for additional practise in any spare time your students may have in directed study, ILP sessions etc. during the week.

This week we have been continuing to emphasise the need for Description and the use of Descriptive Language.

One way of doing this is by use of comparisons. What can you compare or contrast your work, actions, results to?

This Week in Functional English

This Week in GCSE English

Word of the Week: Dozen (Noun)
A group or set of twelve.

and not... the baker's dozen a group of 13; a dozen plus one: from the former practice among bakers and other tradespeople of giving 13 items to the dozen as a safeguard against penalties for short weights and measures.

Week Commencing 19 October 2015
